- If you have multiple machines scroll through and select the one you are making the service call for
- OR select the Search for Equipment/Item button then enter the machine ID number (ID numbers are labelled on the Equipment's front cover)

## NEXT STEP

- After selecting the Equipment (printer/copier)
- Scroll down to the Purchase order number field and enter your PO (optional)
- Then scroll down to the Description panel
- Enter the fault or describe the problem briefly

- Now select Save at top or bottom right

## WHAT HAPPENS NOW?

- The Service Call is automatically entered into our Service Dispatch Console.
- Depending on the nature of the call the Service Controller will assign the next available Field or Helpdesk Technician to the call.
- A technician will attend to your call as soon as possible
- The system emails you advising when to expect them and the Technicians name.
